Resource Guide

Phases of CTI

- Pre-CTI: Housing Planning and Preparation
- Phase 1: Transition to the Community
- Phase 2: Try-out/Practicing
- Phase 3: Termination/Step Down
 - Phase 1 begins when person moves into housing
 - Phases 1-3 last approximately 2 months each

Tasks for Pre-CTI Housing Planning

This phase occurs before moving into housing and should be done by the GPD or shelter/homeless program working with the Veteran to locate housing.

- Educate on housing options and expectations of each.
- Identify goals and preferences.
- Assess housing and homelessness history.
- Assist to connect to income.
- Gather documents for the application process.
- Assist with housing search and negotiations.
- Connect to resources that support community stabilization-treatment and supports.
- Develop a housing stabilization plan.
- Teach tenancy skills.

Case managers will need to assess how much of this work has been done and how much will need to be addressed in Phase One.

Warm handoffs from referring program to the CM Grant programs are highly recommended!

Phase One: Transition to the Community

Assistance in making linkages:

- Meeting with the person and the resources
- Refine communication structures with supports

Assessment of new needs and resources:

- Re-engage, review assessment and revise based on current housing and lease compliance.
- Identify resources needed.
- Focus on community support, role and activity

Plan revision:

- Review plan and revise based on priorities, immediate needs and current resources.

Skill building for community resources:

- Provide education about rights, responsibilities, and expectations; model negotiation skills

Phase One: Worker Role

- Clearly articulate your role
- Accompany to housing, meet with provider, assist apartment set up, and acclimate to the neighborhood
- Frequency of contact: at least weekly/more frequently based on need
- Frequent contact with all services, supports and housing provider/landlord
- Develop plan to access needed resources
 - Accompany to resources and teach skills
 - Ensure communication with each services/support
- Assess how the housing is/isn't working for the person
- Focus on purpose, role, connections and activity
- Monitor lease compliance/connect with landlord

Building Skills

- Educating on tenancy rights and responsibilities
- **Modeling** for each Veteran to negotiate for services
- Trying it out and debrief
- Establishing regular check-ins to see if it is working
- Review cost and benefits – **critical thinking**
- **Recognizing** strong partners and good skills
- Renegotiate the relationship as necessary

Changing Expectations

Moving from crisis to planning

- May be from immediate to 15 minutes from now

Critical thinking

- Using strategies and resources that work best for each person

Structure and purpose

- Developing a structure and purpose to days

Developing new or changed life roles

- From homeless to tenant, family member, student, worker, advocate, artist

Roles of Programs

The initial home visits and neighborhood introduction may be made by any team member with the skills and relationship with the person served

- Tour the neighborhood with a person to identify triggers and safe places to be as well as places to avoid.
- Assist a person to set up their home in preparation for working
- Peer Support Specialists can be very helpful in acclimating and assist in finding bank, pharmacy, grocery stores, transportation routes etc.

Roles of Programs - 2

- Adjusting to the Home: a major part of the transition is establishing a schedule (a structure and purpose to days)
 - The outreach and transitional staff will understand the schedule of the person when they were homeless, they can assist in identifying new activities
 - Work brings structure and purpose to each persons lives which helps persons to stabilize in the community
 - The team is in regular contact with the landlord to assist each person in following the lease.

Discussion

- PLEASE TURN ON YOUR CAMERAS
- What kind of resources are you connecting Veterans to in the first phase?
- How does this connect to housing and personal goals?
- Give an example of training and mentoring techniques that helped the Veteran connect to the resource

Phase Two: Try Out/Practicing Phase

- Solidifying Linkages to Community Resources
 - This might include legal assistance, schools for children, religious/spiritual, community treatment and support options
- Promote Independent Living and Tenancy Skills
 - Ensure income in place, financial management, tenancy obligations, schedule and role
- Ensure Communication with Support Systems
 - Monitor progress and connections
- Developing longer term plan
 - Look at non-immediate needs such as education planning, career goals, long term plans for a “home”
- Continue to use motivation – building techniques

Phase Two: Worker Role

Frequency of contact: at least bi-weekly depending on consumer.

At least monthly with services, supports and housing provider.

- This is the beginning of the step-down process and a shift towards resources

Revise plan to address changing needs and resources

- Focus on longer term supports and services

Phase Two: Updates

Update the assessment:

- Recognize progress and continue to build confidence
- Redefine set backs
- Look at missing pieces in past assessment

Update plan

- Review what worked
- Discuss what didn't work
- Integrate the missing pieces
- Goals discussion (importance, priorities and resources)

Phase Two: Communication

Person's network of care providing 50% of the services. Ensure the connections are working

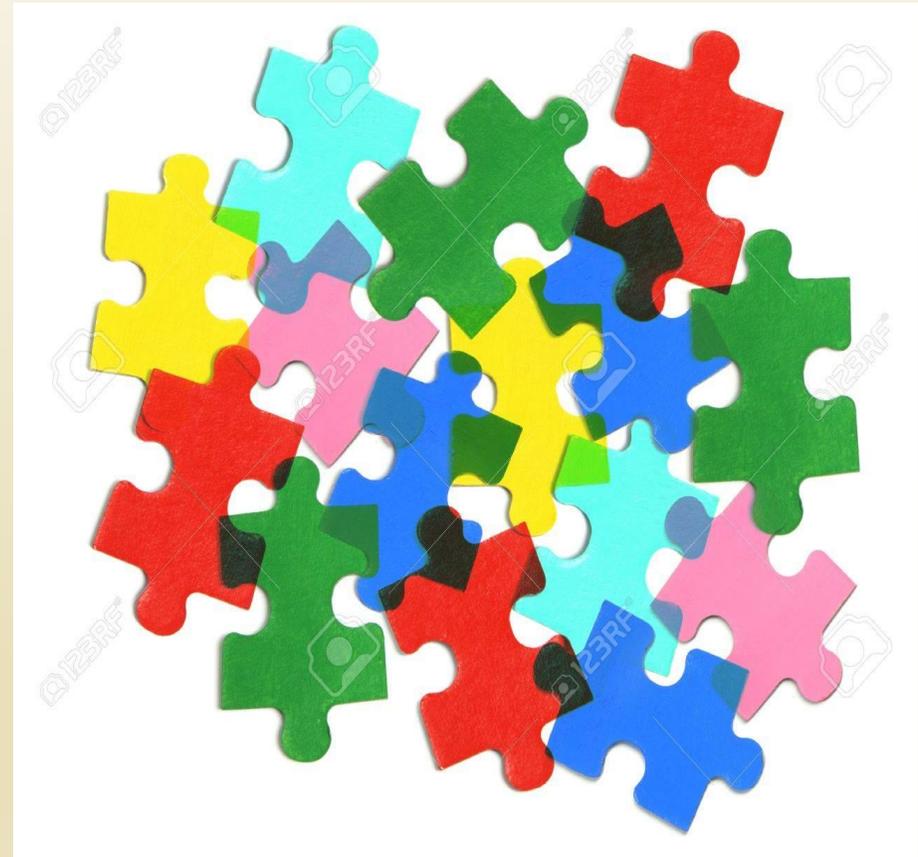

- Keep communication between housing provider and other services.
- Employment programs are play an increasing role.
 - Person's goal providing structure
 - Increasing income supports housing stabilization.

Participation in the planning process

- Each team's experience with each person is different. All contributing to the assessment and planning process is valuable

Discussion

- PLEASE TURN ON YOUR CAMERAS
- Give an example of a Veteran that had some housing issues in the second phase
- How did you and the Veteran address it?
- Did it reflect the housing plan?

Phase Three: Step Down

Fine Tuning Linkages

Higher Level Skills Training

- Focus on Negotiating Skills

Plan to Address Risks to Housing Stability as they arise

Step down and let go: having other linkages take primary role

- Ensure needs are met, develop adjust linkages if needed
- Assess worker role going forward
- Develop formal plan with household and Linkages

Planning for the long term

Phase Three: Worker Role

- Frequency of contact: monthly with person and at least monthly with services, supports, and landlord.
- Planning for post-CTI and beyond
- Working with person to use resources in future
- Develop list of all contacts and supports with the resident
 - WRAP plan and a crisis plan if needed
 - [https://recoverydevon.co.uk/wp-content/uploads/2010/07/WRAP Book A4.pdf](https://recoverydevon.co.uk/wp-content/uploads/2010/07/WRAP_Book_A4.pdf)
- Discuss progress, skills and resources developed and ongoing risks/threats to housing stability

Phase Three: Worker Role - 2

Review progress
made

- CTI Closing Meeting with Participant - Evaluation of the CTI and any recommendations for the future
- Identification of ongoing challenges to stability and development of plan to address pre-crisis

- Meeting with all resources including family, housing, services and supports – discuss roles
- Develop a plan for next six months
- Identifying more long term goals and identifying resources for assistance
- Document Plan
- May be difficult to get all parties together – may need to be separate meetings

Case Conferencing

Case studies of Veterans of Veterans in Phase Three

Discuss barriers to housing access or stability.

Discuss tasks, skills and resources needed to achieve housing stability post-CTI

Report back: plan for work with the Veteran to address housing issues and help move to the next stage.

Case Conferencing Phase Three - Josh

Josh has been doing really well in housing.

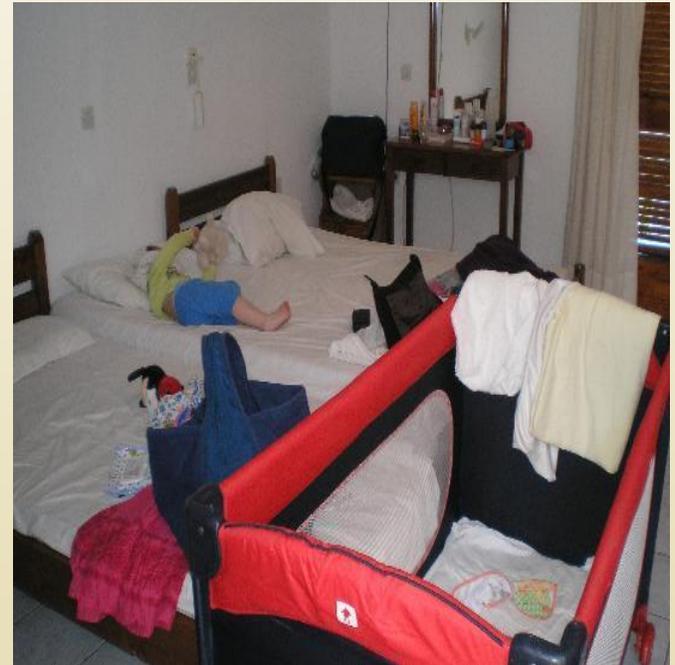

- His apartment is clean and organized.
- He pays his rent.
- He has a job, cooking part time in a restaurant and he is connected with Employment.
- He goes to the VA for services and his blood pressure is under control.
- He is off the meds for depression with his doctor's ok.
- He wants to buy a car.
- Marijuana is always present in his bloodwork; he also likes box wine. He is not interested in treatment and says he enjoys having a glass of wine...or two with a smoke in the evenings. "Nothing wrong with that," he says.

Case Conferencing Phase Three - Mahdi

Mahdi has been doing well in housing.

- He initially had a hard time budgeting but has improved a lot.
- He has paid his rent on time for the last 3 months. He had talked about wanting a girlfriend and starting a family.
- Early on he made some questionable choices and was hurt. This was also the core of some of the budgeting problems.
- He has a girlfriend now for two months. She has several children.
- He would like to move them in and be a family.

Wrap up and Evaluation

Many thanks, see you all next week!

Please complete the evaluation – link in chat box and will be emailed.

PLEASE TURN ON YOUR CAMERAS TO SAY GOOD-BYE
